

Shrubshelter range

TUBEX Shrubshelter range is a wider diameter shelter, which provides enhanced growth and reliable plant protection to larger bushier plants.

TUBEX Shrubshelter range is designed to last a minimum of 5 years*, boosting the chances of survival and healthy growth through the early stages of the plant's life. TUBEX Shrubshelters are ideally suited to landscaping projects with mixed planting stock. Shrubshelters are quick and easy to install and remove, also coming in a wider diameter Shrubshelter Plus.

*shelter longevity is dependent on site and weather conditions but is typically 7 years plus.
